Christian Military Fellowship Offers Automatic Monthly Giving Via Credit Card

At the request of CMF supporters, we now have the capability to accept contributions via credit card. This options purpose is to provide a convenient way to give regular monthly gifts to CMF.

If you desire this convenience, please complete the enclosed enrollment form to CMF.

The following frequently asked questions are presented to give you a better understanding of the nature of automatic debits made to credit card accounts.

1. **What is an Automatic Credit Card Contribution System?**

It is a system which allows a monthly gift to be debited to your credit card account on a regular basis.

2. **What will this regular debit cost me?**

There is no cost to you, because the nominal costs incurred will be paid by CMF.

3. **How long will it take to apply?**

Enrollment is virtually immediate upon receipt of the forms at the CMF Home Office.

4. **What advantages are there to me and to CMF in the use of automatic credit card contributions?**

Members tell us that they want this system to enable them to be consistent in their monthly contribution to CMF, whether or not they remember, are out on a submarine patrol, or on a military deployment.

They also have stated that it would be very convenient to help plan and implement their giving for the year. There is no need to take time to write out a check, look for a stamp or envelope, or the CMF address.

Participation in automatic credit card contributions will enable CMF to provide gift credit more efficiently as it reduces both the administrative handling costs and the possibility of error in handling gifts.

Your gift to CMF is not subject to postal delays or errors in delivery.

5. **Will CMF still provide a monthly receipt for my monthly gift?**

Yes, a monthly receipt will be provided, along with a letter highlighting a person, recent event, or program in CMF. The receipt should be saved for your tax records.

6. **Are there disadvantages to me in using automatic credit card contributions?**

You will need to remember that you authorized the payment when you read your monthly credit card statement.

7. **When will my credit card account be debited for the amount of the gift and electronically transferred to CMF's bank account?**

Your account will be debited on the 5th of each month or on the next working day if the 5th

occurs on a weekend or holiday.

8. **If I complete and sign my enrollment form and promptly forward it to CMF what date would be the first automatic debit to my account?**

The automatic debit will normally begin on the 5th of the following month in which the enrollment form is received.

9. **How long will this agreement be valid?**
